

Art competition-Express Yourself

5th February

This half term's House competition is an art/craft project. It ties in with the National School's Mental Health Week-this year's theme being 'Express Yourself'

It can be anything that represents you or something you enjoy, for example you can draw a football if you like football. It can be a pop art for a symbol of your faith or maybe a sculpture. You could sketch a self-portrait or a collage. Maybe make a necklace or knit.

Once completed give it to one of the House Captains or put it in your classes register bag (if it fits). Remember your name and house MUST be printed on it.

House captains will be judging based on what we think shows an Expression of Identity and what people have really thought about. If you don't win it's probably because some people really showed lots of thought about identity in their work. Or it is just opinion.

The deadline will be on Monday 5th February. There will be 3 winners. Top 3 will get prizes and points. Every entry will also receive points towards their House Total. The winners will be announced at Newnham's Got Talent on Friday 9th February.

Many thanks and please ask us if you need help-House Captains
