## Household Support Grant

As part of the Household Support Grant for 2023/2024, Hillingdon Council will be providing meal vouchers during the school holiday periods as shown on their website [Household Support Fund - Hillingdon Council](#). They will use the data for households eligible for benefit-related free school meals provided by schools. To qualify for these payments, you must be responsible for paying your household's utility bills. To ensure families receive the support they are entitled to, it is really important that you advise **us** of any changes to your email addresses straight away so that the Household Support team can be updated with any changes.

### Food - supporting children attending Hillingdon schools

Subject to eligibility, you will receive £15 per child per week for a total period of 11 weeks (covering the 11 weeks of school holidays during the period of the scheme).

This will be split into 6 separate payments:

- 1st payment (paid week ending Friday 26 May)** - will cover the 1-week May 2023 half-term break
- 2nd payment (paid week ending Friday 21 July)** - will cover the first 3-week summer break
- 3rd payment (paid week ending Friday 18 August)** - will cover the second 3-week summer break
- 4th payment (paid week ending Friday 27 October)** - will cover the 1-week October 2023 half-term
- 5th payment (paid week ending Friday 22 December)** - will cover 2-week Christmas break
- 6th payment (paid week ending Friday 9 February)** - will cover the 1-week February half term break.

Hillingdon Council will also be supporting the families with two separate cost of living payments, in the form of Edenred vouchers as follow:

### Utility costs - supporting families living in Hillingdon

If you are eligible for benefit-related free school meals and you are a resident in Hillingdon, you will be entitled to 2 cost of living vouchers valued at £50 per household to help towards your utility costs.

- **1st voucher (sent to you in October 2023)**
- **2nd voucher (sent to you in January 2024).**
