

Are you struggling to adapt to the challenges and opportunities of everyday online activities?

Learn Hillingdon are running five FREE IT/Digital Skills sessions at Uxbridge Library, High Street, UB8 1HD on the following dates from 10am – 12pm.

Book your session today and take a step towards learning new things and gaining confidence in using technology in your everyday life.

- **Learning for Everyday Life – Get to Know Your iPhone** (*Must be an Apple product - no androids*) **on 2/6/2023**
Learn the main features and controls of your own iPhone, change accessibility settings to make it easier for you to use and get to grips with useful apps.
- **Learning for Everyday Life – Get to Know Your iPad** (*No tablets! And you need the access code*) **on 9/6/2023**
Get to know the main features and controls of your own iPad, change accessibility settings to make it easier for you to use and get to grips with useful apps.
- **Learning for Everyday Life – Get Started with Email** (*You will need a mobile phone to set up so please bring one with you*) **on 16/6/2023**
Increase your confidence in communicating online through email. Get tips for organising your inbox and learn about keeping safe whilst communicating online.
- **Learning for Everyday Life - Accessing Online Council Services** (*You will need a mobile phone to set up an online account with the Council so please bring one with you*) **on 23/6/2023**
The session will help you to register for 'My Account' and find information about local services on the Hillingdon Council website.
- **Learning for Everyday Life - Shopping online and Internet Safety on 30/6/2023**
Learn how to shop online safely. You can save time and money by doing your shopping online: compare prices, get great deals and even have everything delivered directly to your door.

For further information or to book a place, please email Tricia at familylearning@hae-acl.ac.uk or call 01895 556252
