

World Animal Day poster competition

House captains are organising a poster competition to celebrate World Animal Day.

We would like you to create a poster / fact file about your chosen animal - no bigger than A4.

Include scientific facts about your animal:

Habitat - where does it live?

What does it eat?

Classification - what group does it belong to?

Interesting features / adaptations

Include a picture / drawing

Due in Wednesday 1st of November.

There will be a prize for the best poster in each year group.

Remember to write your name, class, and house on it.

Jacob, Tate, Serra, Emilia

Good luck!
