Below are a few of the positive comments made from parents. We have not included ones which have mentioned individual teachers or children

An academic yet nurturing school. Newnham Juniors have got the balance right. Thank you to all the hard working staff.

Great school, my daughter has spent seven years from reception and the evolution with all the help is no different to any other good or independent schools in the district.

No room for improvement. I love Newnham Junior School!!!!

I absolutely love Newnham Juniors, my daughter is so happy here. It has the right amount of emphasis on academia, encouraging children that progress, happiness and resilience are also measures of success. My daughter is flourishing here and I would recommend it to anyone.

We are really happy with both childrens' progress and experience at Newnham. We are so pleased with the support and encouragement from all the staff at Newnham. It is an amazing place for our children to grow. Thank you.

I am extremely pleased that my son goes to this school. The current class teachers are very nurturing, and supportive, and the overall ethos of the school is very progressive.
