Dear Parents and Carers,

Yesterday we were made aware of another unpleasant incident in Newnham Avenue when a member of our Newnham community parked across a resident's driveway and blocked the through traffic. Please can we urge you to be respectful to our neighbours and park considerately. Please DO NOT park across driveways or in front of private garages or block in any of the residents when dropping off or collecting your children.

If you have to enter Newnham Avenue can you please abide by our governors' request to adhere to our voluntary one-way system coming from Sunningdale Avenue through to Woodlands Avenue. It is such a narrow avenue and can cause danger and havoc. This is for the safety of everyone - especially our children.

We would also like to take this opportunity to remind our parents that our Infant children should be accompanied in to school and not dropped at the school gates or in the middle of the road.

Yours sincerely
