

Newnham Junior School

22nd July 2024

Dear Parents & Carers,

Achievements 2023 to 2024

Last Friday we held an assembly to celebrate the children's school achievements this year and I wanted to share these with you. Even though there were many medals and trophies won and an array of performances held, the most important achievement of all is that every child has made progress.

None of this would have been possible without the hard work of the children, the support and encouragement of the parents/carers and the expert coaching, teaching and enthusiasm of the staff of Newnham.

Academic

We achieved an 'outstanding' Ofsted inspection.

SATs results – This table shows the percentage of children who gained the national standard in Year 6 compared to the national average. It also shows the percentage of children who achieved greater depth (a scaled score of over 110). These are fantastic results and the progress the Year 6 children have made while they have been at Newnham (both schools) is astounding.

Subject	Newnham's results	National average	Greater Depth
Reading	90%	74%	52%
Grammar Punctuation and Spelling	90%	73%	56%
Maths	91%	72%	51%

Competitions - For your information, there are 21 primary/junior schools in the District, 56 schools in the Borough and approximately 1300 schools in London.

Academic

Spelling Bee – 1st in the District
