

# Newnham Junior School

## Upcoming parent/carers events

We are trying to make these accessible to as many parents and carers as possible by holding events at different times. Keep an eye out - more to be added soon!

### Coffee and metacognition - metacoffee?

**Wednesday 31<sup>st</sup> January - 9am in the school hall**

Coffee morning with a short session on metacognition, with Mr Wilkey. Hopefully your children will be able to tell you about metacognition but if you'd like to find out more about it, please join us!

### Keeping children safe online - with the 2 Johns

Recent data suggests a majority of inappropriate photographs of primary aged children online are now self-generated, often in the safety of their own homes, after interacting with people online. The 2 Johns offer very up to date, useful and specific ways to keep children safe.

This will be the 2<sup>nd</sup> time we have organised a session with the 2 Johns after excellent feedback from parents, staff and children when they came in 2 years ago. They will offer a very up to date and comprehensive session on how to keep children safe online and the risks they face. We will be running 2 sessions:

- **12<sup>th</sup> March at 8pm - Online live session - joining details to follow.**
- **19<sup>th</sup> March 1:45 - Watch the recorded parent session in the school hall.** Join us in the school hall to watch the 2 Johns recorded session if you could not attend the online event, or would just like to come along!

We have found their sessions to be extremely useful and would strongly encourage as many parents and carers as possible to please attend.

We hope to see as many of you as possible at these events.

Ms Curtis - Family Engagement Lead

*Newnham Junior School is committed to safeguarding and promoting the welfare and safety of all pupils and expects all members of the school community to share this commitment.*
