

How could you store yours?

Enter our competition now!

Do you think there's another way to store your food waste at home before it's collected for recycling?

Design and make your idea, send us a photo of it via www.hillingdon.gov.uk/food-waste-competition and you could win a prize!

For children
in Reception
to Year 6

Categories

Best recycled/reused

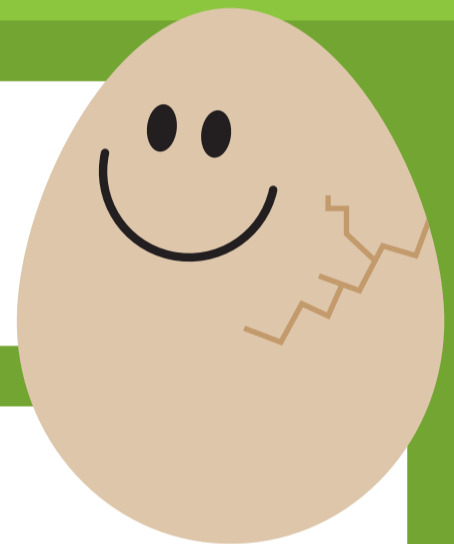

Get creative with using items around the home to store food waste in.

Best food waste reduction idea

Create your reusable container so your family and friends think about what food they're wasting.

Best waste less/spend less

Create your reusable container to show that when we make food waste, we are throwing money away.

Closing date: Friday 14 July 2023
